Reminder....our Pancake Breakfast will start in November

## **LADIES CLUB**

We have started up our bring and shares with our first one in September. We are also starting up our Ladies Lunch out – 10/7 at Cheesers and Ladies Club meetings – 10/21. Be sure to put them on your calendar and participate in the activities.

Our October Bring and Share will be on Sat., 10/24, with an Octoberfest/Halloween theme. We will be serving pork and sauerkraut and will have some prizes for Halloween costumes. We urge all of you to come in costume, even if it is not something elaborate.

We would also like to thank Bonnie Helms and Priscilla LaFever for our ladies parties we have been having during the summer. Any of you who didn't come join us missed a fun time and delicious goodies.

## **CRAFT CLUB**

We will be having our first get together on Thursday, October 8<sup>th</sup> at 1:00pm. All materials will be provided and the only talent you need is being able to use fabric glue! We also would like you to bring any ideas that you might have for new and interesting crafts that we could make for ourselves and to sell at the Craft Bazaar.

## **RUBY RED GEMS OF EMERALD LAKES**

We will be having our annual organizational luncheon on Thursday, 10/22 at 11:15am, at the Clubhouse and then we will go to the movies at our new movie facility here in Clermont. Hopefully there will be a good girly movie on at that time.

**NEVER CRITICIZE A VOLUNTEER**

## **Email Address Directory (Office Use Only)**

**We have established an email directory for official use as an added means of communicating time-sensitive issues of significant importance for those who wish to participate.**

**In order that we have the most recent/correct email information on file; please forward an email to Linda at “Emeraldcoop@aol.com” Subject **“Office Email Directory”**.**

**PLEASE DO THIS EVEN IF LINDA ALREADY HAS YOUR EMAIL ADDRESS .....AS THIS WILL ALLOW FOR A CROSS-CHECK OF OUR FILES FOR ACCURACY.**

**Please be reminded that this directory is not meant to take the place of other information currently being shared.**
